

MID-AMERICA PACKAGING

MID-AMERICA PACKAGING
Holding North American Manufacturing Together™

Mid-America Packaging is a premier sales and service organization that specializes in:

- Adhesive dispensing equipment
- Small and large character ink jet printers
- High-resolution printing equipment
- Inkjet fluids and inks
- Label applicators
- Case taping and gluing systems
- Rebuild and refurbish center

Mid-America Packaging is a proud partner with some of the most respected and recognized names in the adhesive equipment and industrial coding industries.

Adhesive Dispensing Equipment

- Used in packaging, product assembly, paper converting, etc
- Helping packagers achieve sustainability
- Compatible with existing Nordson hoses and guns

HITACHI Inspire the Next

Small Character Continuous Ink-Jet Printers

- Reliable (no external air, viscosity and density control, heated printhead)
- Reduced cost of operation (lowest fluid consumption of any ink-jet printer, 100% consumption, no waste)
- Increased Uptime (automatic print head cleaning, no nozzle replacement, longest duration between PM's)

Ink-Jet Printers

- Simple DOD print systems for case coding
- Hi-Res print systems for logos and barcodes
- Multiple substrates

Inks

- Drop-on-Demand inks and cleaners for Marsh, Diagraph, Matthews and Loveshaw Little David
- Hi-Res inks and cleaners for Trident and Xaar Print Engines

Tapers

- Top and bottom, 2" and 3", side and bottom belt
- Order with integrated print systems for your coding needs

- High-resolution printing equipment
- Multiple print head configurations
- Xaar and HP print heads
- Up to 2.8 inch print height
- Windows based software

Rebuild and Refurbish Center

Nordson rebuilds and utilizes original parts, insuring your rebuilt melt unit or glue gun will give you long lasting performance.

Mid-America Packaging is environmentally conscious and prides itself in being at the forefront of compliance with current governmental regulatory guidelines. Our concern for the environment and worker safety is our highest priority.
