

APL-ELV 8000 Series

Variable heights Print & Apply double pallet and half pallet labeling

United Barcode Systems APL-ELV print and apply systems allows variable heights pallet labeling automatically. Users may select single or multiple panel labeling at irregular predefined heights or place the system at the desiderated height manually.

The system reaches from a minimum of 33.07 in up to 98.42 in maximum height. Its electrically controlled reductor motor permits the print and apply system move at a high speed assuring a superior labeling cadence.

By being equipped with auto-break guarantees its complete trustworthiness and an accurate label placement. These systems are available with high quality print engines manufactured by Datamax, Zebra or Sato; together with its highly developed hoist ground column turns it into an unique equipment in the market capable of covering all actual and future pallet labeling needs.

APL-ELV 8000 Series Specifications

GENERAL DESCRIPTION	VARIABLE HEIGHTS PRINT & APPLY PALLET LABELING SYSTEM
PRINT ENGINE	DATAMAX, SATO & ZEBRA
PRINT RESOLUTION	From 203 to 600 dpi
LABEL / RIBBON ROLL	Label roll: Diameter max: 10,2 in - Ribbon roll: Length max.: 2952'
PRINT SPEED*	Up to 406,4 mm. (16") per second - Up to 203 mm. (8 ") per second
INTERFACE*	ECP Parallel (IEE 1284) - Centronics Parallel - Twinax - Coax, RS 232 C - USB v1.1 - Ethernet & Wireless (Optional)
KEYBOARD & DISPLAY*	Graphics LCD control display with backlight - EFIGS languages - 5 function keys keyboard - Touch Screen control keyboard
POWER SUPPLY	230 VAC, 50/60 Hz. Consumption 4 A.
DIMENSIONS	Height: 104,3307 in - Length: 77,16 in - Width: 68,50 in
WEIGHT	Aprox. 1.873,9 lbs
ENVIRONMENT	From +5 °C to 38 °C (41 F° to 100 °F)
HUMIDITY	20-85% non-condensing

LABELS PER PALLET	LABEL WIDTH	LABEL LENGHT	SPEED**	TYPICAL APPLICATIONS	LABELING CONFIGURATIONS
APL-ELV 8000 1 LABEL PER PALLET 	150 mm (6")	210 mm (8,2")	Up to 10 pallets/minute	Pallet Labeling	Side
APL-ELV 8200 2 LABEL PER PALLET 	150 mm (6")	210 mm. (8,2")	Up to 40 pallets/minute	Pallet Labeling	Adjacent panels
APL-ELV 8300 3 LABEL PER PALLET 	150 mm. (6")	210 mm (8,2")	Up to 2 pallets/minute	Pallet Labeling	Adjacent panels

We reserve the right to amend the design and/or specifications of our products without notice

*Depending upon Print Engine **Depending upon conveyor speed and system proximity
